

GATTACA: RRW

Regular biology:

Write a 2 paragraph essay about the following writing prompt:

“A society like GATTACA, which uses genetic engineering to improve the health and abilities of its citizens, could be a good thing (paragraph #1) or a bad thing (paragraph #2)

Use references from the movie GATTACA and include 3 supporting details with explanations in each paragraph.

The paper must be typed, double-spaced 12 point font and one inch margins all around. No title page is necessary, simply put your name and class period.

Share on GoogleDocs using the subject line:

(your last name):Med Man:(your class #)
