

The Island: RRW

Honors Biology

Task:

Write a 3 page argumentative essay that defends your position using relevant, supportive details from the movie.

The paper format is to be double spaced, NTR font/#12, and have one inch margins all around.

Due date: _____

1. A document is to be shared on Google.docs by 8am
2. A hard copy is to be submitted at the beginning of class
3. Subject line should read:
(type your class period):Island:(type your last name)
for example—4:Island:Gonzalez
4. Please 'uncheck' the box that says to send an email notification

Prompt:

Should Dr. Merrick (Sean Bean's character) be punished for what he did? If not, why not? Or if so, why and how?

This paper will NOT be judging the ethics of your choice, but the relevance of the details and the quality of the supporting evidence (directly from the movie) as presented. If outside sources are used, be certain to cite them properly at the end of the paper.
