

You will use the Redskin Writing Rubric to guide you in writing an informative essay of 4-6 paragraphs presenting the pros and cons of maintaining rainforest biodiversity.

1. You must refer to facts and story elements from the movie Medicine Man.
2. You must present a balanced argument for both sides of the conservation argument.
3. You may use outside sources (remembering to cite them at the end of the essay).
4. The essay must be typed. Double spaced, 12 point--NTR font.
5. You should turn in a hard copy as well as share it on Google docs titling it this way: CLASS-PERIOD-NAME-Medicine Man.

For example: HB-2-Johnson-Medicine Man
